

BONO PROPOSED STUDENT INTERNSHIP PROGRAM

The intent of this program is for students to work one day per week for local qualified participating businesses and to learn firsthand what a career in an industry related to their major would be like and to expose qualifying businesses to qualified job candidates.

Qualifying Student Requirements:

- Full-Time Students in their final year of College.
- Internship has to be specific to major.
- 2.5/GPA or better.
- Recommended by faculty.

Requirements for the Business:

- Good standing with the BBB or some other equivalent Association.
- Offer students a comprehensive vehicle to learn on the job.
- Potential students career opportunity pathway.

Requirements for the College:

- Offer credits to students on a semester basis.
- Offer airtime or advertising to participating companies, and access to student body.

Objectives of Program:

- Potential tax incentives for participating businesses.
 - Offer students a pathway to career.
 - Offer Colleges access to participating businesses and participation in student activities.
 - Offer participating businesses advertising opportunities.
-
